GOLF TOURNAMENT INFORMATION SHEET & AGREEMENT

North Branch Golf Course would like to thank you for considering us to host your next golf tournament. Whether you are a new outing or a twenty-year continuation, we welcome you. This sheet should be used as a guide, but always keep in mind that repeat customers and larger groups tend to get extra discounts and incentives.

Here's what to expect from North Branch when we host your event:

- Tournament Scoring** A member of our staff will post captains' names and starting holes while your golfers are out on the course. When they come in, they will turn in scorecards to the scorekeeper who will post hole-by-hole scores and total the rounds. With your instructions, we will also do ranking and a skins game. *Please note: when your tournament uses all twenty-seven holes, we will only post first and second nine scores with relation to par.* This is all done on our giant three-board dry-erase scoreboard located between the clubhouse and pavilion, behind Meadow #9 green.
- Banquet Seating** While your golfers are out on the course, we will transform our cart shed into the pavilion by ensuring that the space is clean and then setting up tables and chairs to fit the number of people eating that you specify ahead of time. We will clean the tables and chairs, but we do not provide any sort of table covering.
- Personalized Cart Tags** With the information that you provide ahead of time, we will create custom cart tags to put on the front of the captains' golf carts. The information on the cart tags is the tournament name, the date, the captain's name, and the starting hole. These tags are easy to read, and help with your players to find their carts at the start.
- Personalized Scorecards** Scorecards are already set on the lead cart of the group. The card will have the captain's name on it, as well as starting hole and what order the group is. (i.e. first or second off of a hole)
- Proximity Markers** We provide proximity markers according to your specifications. We will make every effort to place them out on the course ahead of time, but in the event that we are unable to do so, we will place them in the cart of the first group to play the hole.
- Public Address System** We have a wireless microphone system that we use to address the golfers before the tournament. We go over all of the necessary rules, give a North Branch welcome, and then give you the opportunity to address your golfers as well. The system is also available to use in the pavilion after the round to address the golfers while eating. This is useful for prize and award ceremonies as well as thank you and acceptance speeches.

Beverage Carts

We provide one beverage cart per nine holes used for your use during the tournament. This requires that beverages are purchased from North Branch. Also, any person on a beverage cart that is serving alcoholic beverages must hold an Indiana beverage permit.

Standard Cooler Configuration (Per Beverage Cart)

1 Cooler of Beer:

16 Coors Light

16 Bud Light

16 Miller Lite

8 Budweiser

1 Cooler of Pop/Water:

6 Pepsi

6 Diet Pepsi

6 Mountain Dew

6 Sierra Mist

12 Bottles of Water

Food Options

As we do not have a restaurant on-site, we do not require that you buy food from North Branch. We do partner with Koch's Karry Out and Katering from Greensburg who provides over 75% of our meals. They offer great food at very competitive prices. Other catering options are available upon request, or you can bring your own food, it's all up to you! We have a large industrial gas grill on-site that can be used at a very minimal cost.

Miscellaneous

We also give you an avenue for ordering custom logo golf balls, etc. These make great tee prizes or awards. Call or email us for a quote. Gift certificates are always available for purchase. These are great prizes as well. Please remember that we never require these to be purchased, but it is appreciated.

Here's what we expect from you when we host your event:

Registration

We like to have the names of your teams and/or captains, along with starting holes (if you have a preference), no later than by 4pm two business days prior to the event. For example, we like to have information by 4pm on Thursday for a Saturday outing. **You are responsible for bringing people to check in golfers.** By doing this, you can simply pay one bill at the end of the day. We will have tables and chairs set up for you to use for registration.

Beverage Cart Drivers

You are responsible for finding a driver for each beverage cart that is at least twenty-one years old and holds a valid bartending license. If needed, we can help you to register your drivers for a Volunteer Permit, at a nominal fee.

Fee Collection

You are responsible for collecting fees from your golfers. The amount that you charge is up to you (although we recommend making a profit!) We will provide you with one total bill at the end of the outing which can be paid by cash, check, or credit card. Bills are generally paid the same-day, but we allow up to one week under special circumstances.

Hole Sponsors

If you wish to have hole sponsorships, you are responsible for selling them ahead of time, creating signs, and placing them on the course prior to the round.
